DJ GEMINI GILLY

If you were at Summerfest, June 23rd, and did not slide on DJ Gemini Gilly, were you really even there?

We were so happy to see another one-of-a-kind performance by one of the HOTTEST DJ's in the city, making her SECOND headlining debut at Summerfest. I got the chance to catch up with our favorite gemini and this is what she had to say!

On July 2nd, we had the AWESOME opportunity to "chop it up" with signed rapper, @whoishueyv, right before he took the stage with DJay Mando. This pre-coverage interview highlights what's going on and essentially what's next with Huey V after such a huge performance! This is what he had to say!
